

If printed 17 inches tall (from black-outlined edge to black-outlined edge) the scale of these drawings is 1/350.

NOTES

DECK 10  
At the front of this deck are the ship's Auxiliary Computers.

On either side of the computers is the main level of the Space Energy Field Sensors and Deflector Equipment.

Outboard of the Deflector Equipment is the main level of the Maneuvering Thrusters.

To port and starboard are the Cargo Lifts. They reach down from Deck 9 to Deck 10.  
To either side are more Cargo Holds.

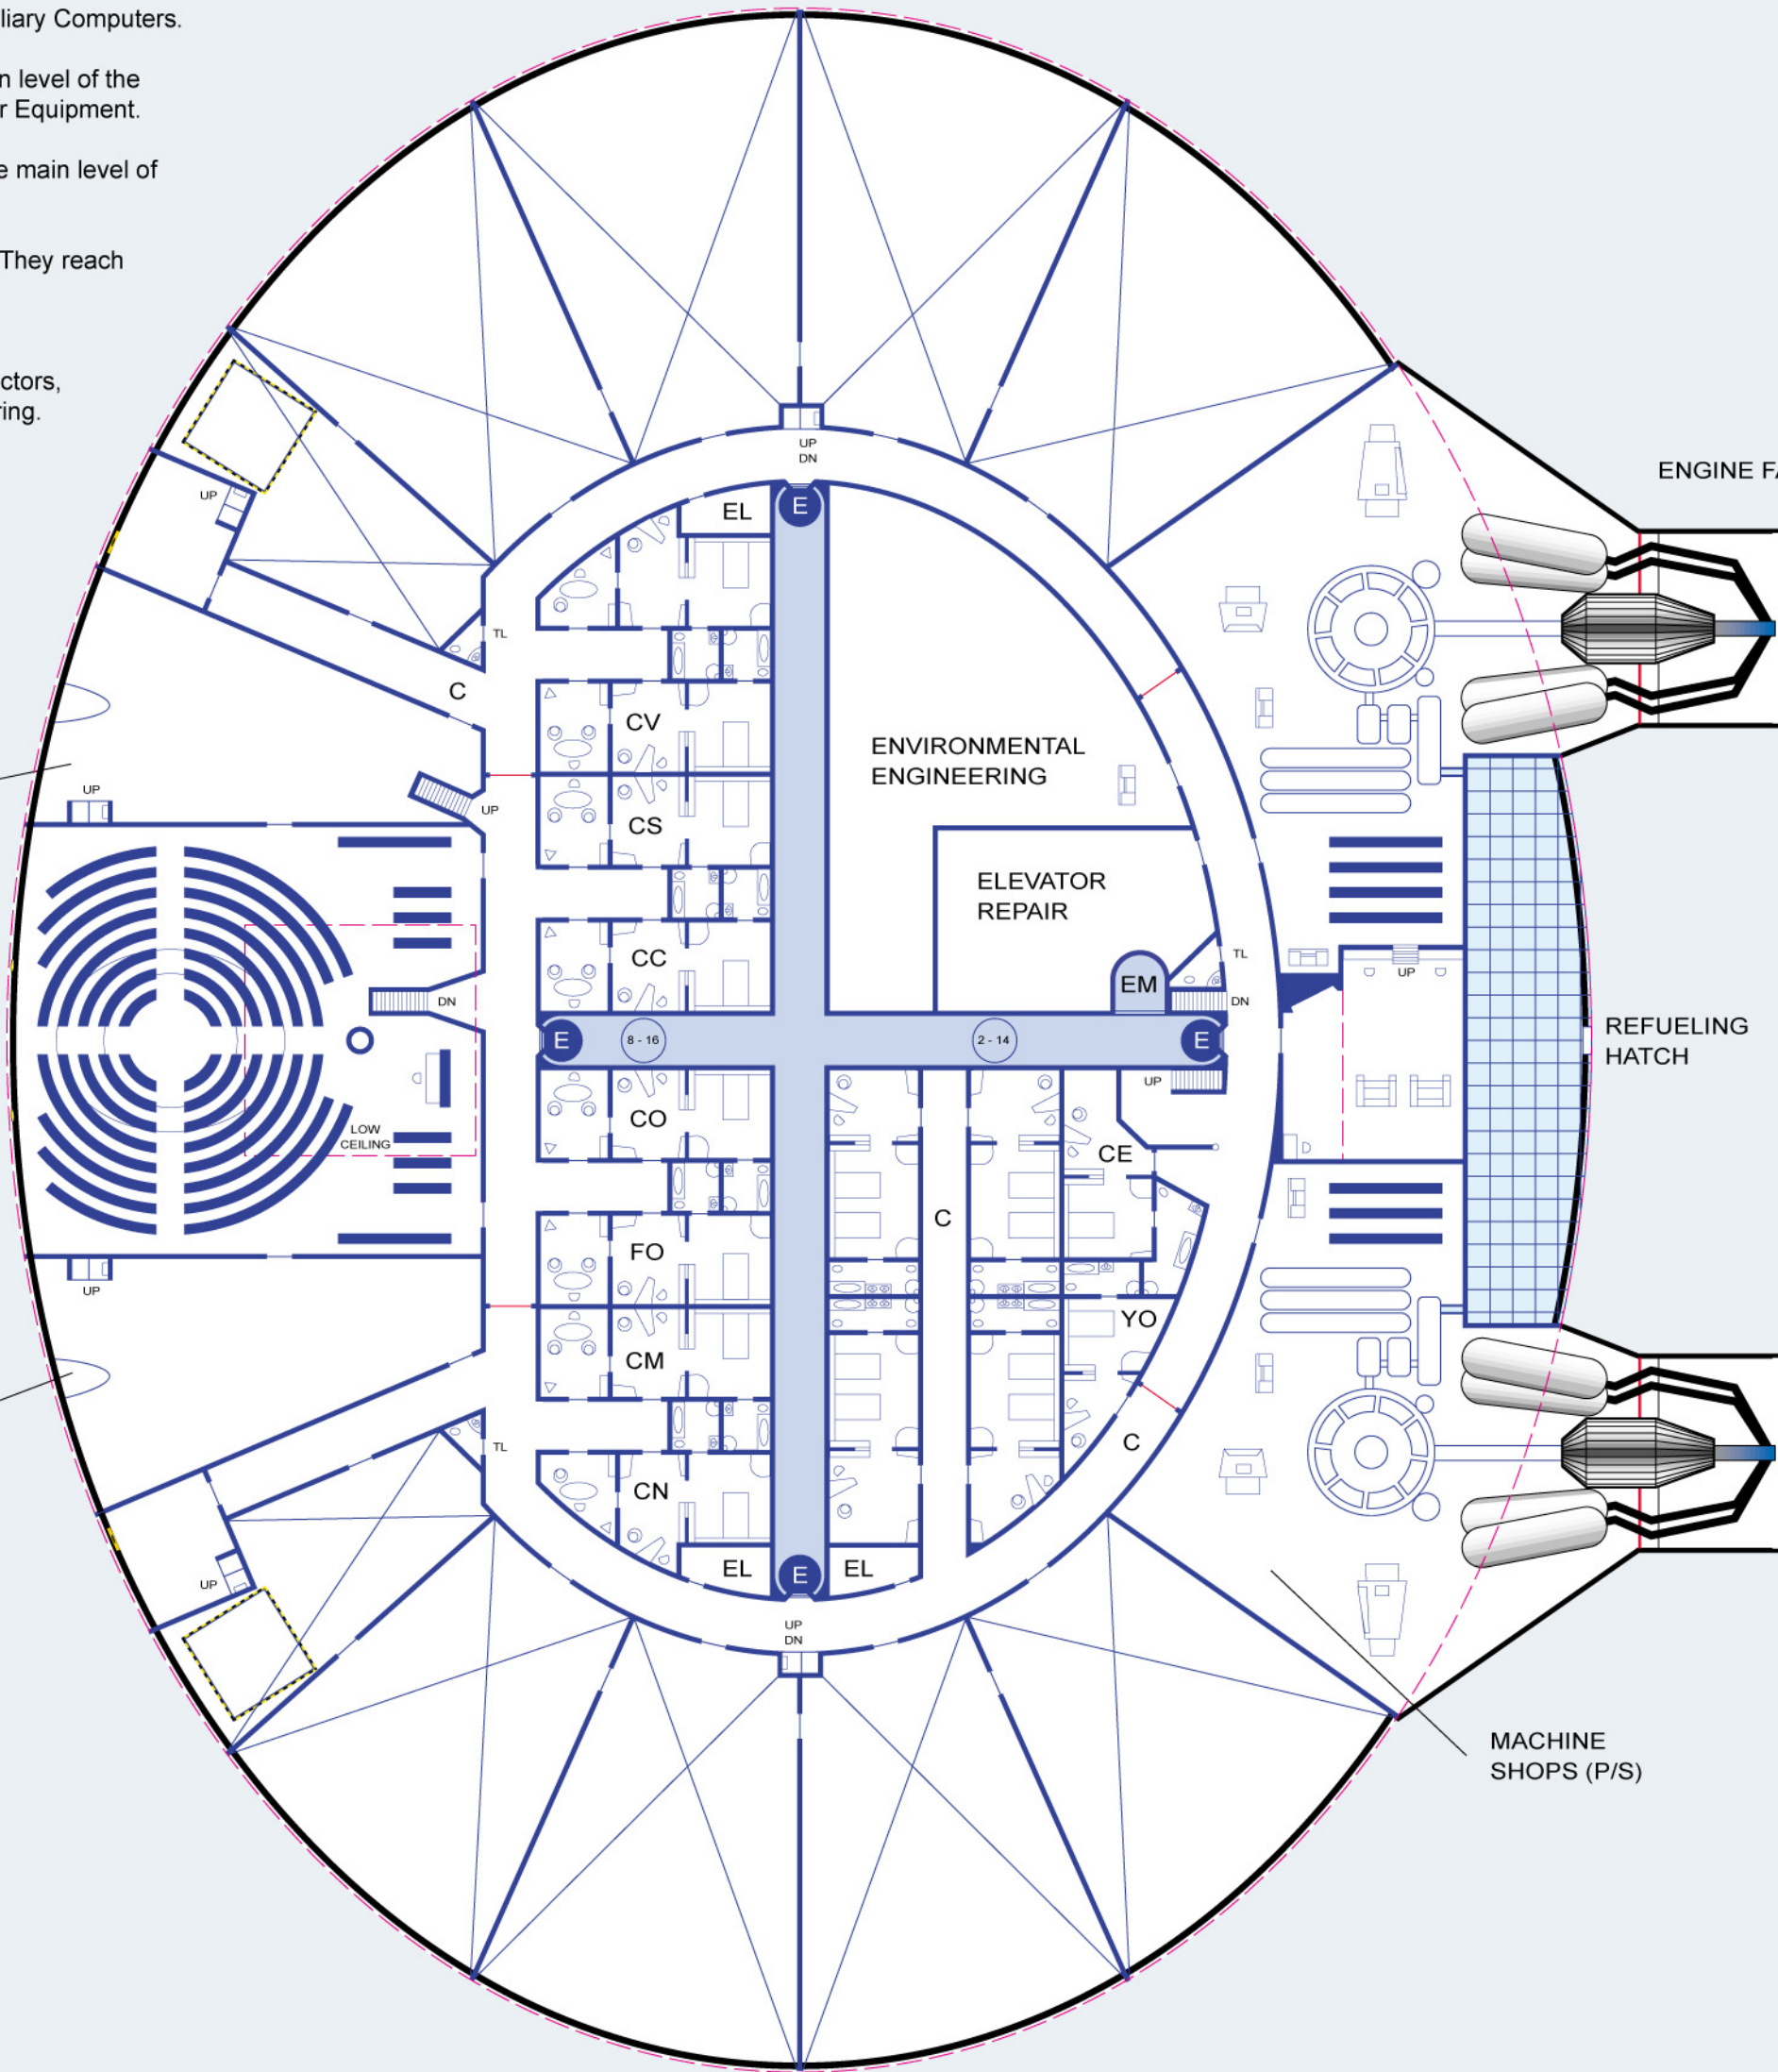

At the rear of the deck are the 2 Main Reactors, the Engineering Computers, and Engineering.

At the extreme rear, between the engine nacelles, is the Fuel Tank.

In the center of the deck are Officers' Quarters, the Elevator Repair Facilities, and Environmental Engineering.
